

Since 1854, BCB has built up knowledge and expertise in developing life-saving equipment for the frontline services. We have been working with the UK Ministry for Defence (MoD) since 1975, as well as many overseas DoD's; exporting 40% of our products.

Our longstanding and loyal workforce have a wealth of experience in engineering, manufacturing, supply chain operations, testing and product development. These skills along with our innovation and passion guarantees consistency, quality and safety. Our close relationship with special forces allow rapid design and prototyping with universities and centers of excellence.

LOCATION MARKER BALLOON: FOR GROUND TO AIR SIGNAL SIGNALING

- Quickly deployed in under 2 minutes.
- Can be operated by one person.
- Reusable.
- Lightweight carbon fiber helium cylinder.

Company Summary

- 160 years legacy
- 50 years defence supplier
- 90,000 sq.ft factory
- 9 patents
- 200+ NATO Products
- 40% global export
- Experienced Team
- Design → Delivery

Company Data

DUNS: 22-773-7897

CAGE: K5704

NIACS CODES:

- 325193 Ethyl Alcohol manufacturing
- 325199 Chemical manufacturing
- 315280 Cut and sew apparel contractors
- 3251 Basic Chemical manufacturing
- 325510 Paint and coating manufacturing
- 332420 Pressure vessel manufacturing
- 3391 Medical equipment and suppliers manufacturing
