FIELD DESKS

Field Desks

Deployable Desk² (DD²)

This field desk is simple, **highly practical** and **functional**.

You can add a **removable security screen**.

The DD² is larger and quicker to deploy than the Commander's Field Desk

Robust, lightweight and folds away for storage or transport

Simple and intuitive to deploy (from storage/transportation state) in less than 2 minutes by untrained personnel

Excellent for storing papers, whilst allowing them to be hidden from view for privacy when needed.

Easy and quick to deploy & fold up. Simply unclick, fold out the two flaps & rotate on the central pivot, then fold down the legs.

- A folding privacy screen (available as an optional extra) can quickly & easily be slotted into the front, rear and/or sides to improve secrecy.
- Two plugs or computer extension sockets (not supplied) can be quickly & easily attached under the two side flaps, so they are easily accessible, while out of sight.
- Lightweight: can easily be carried by two people or manoeuvred on its wheels by one person
- Two large drawers for file dividers & files, two lockable smaller drawers
- Supplied with two BCB folding stools inside.
- Strong, lightweight, drop down legs.
- Smooth flat tabletop when opened.

Tested to BS EN 581 & BS EN 15372
